Knowledge Icon *Online Course*

KI Online course is specially designed for students who wish to learn at home. Tuitions, coaching etc. can often create a fatigue problem in students. Moreover, studying at your system can always result in extended time in hand.

KI's ONLINE COURSE UNIQUE FEATURES:

- ✓ Customized Content
- ✓ Self explanatory material
- ✓ A battery of practice exercises of all levels of difficulty.
- ✓ Provision of special tips/guidelines for solving specific sections of an exam.
- ✓ Performance tracking

You will have three months of 24-hour access to the Knowledge Icon Online Program to study whenever your schedule permits.KI Course specific, online program is easy to use and provides you with a full array of online practice tests and resources to test your content knowledge for every topic or area on the exam.

Go for this course if:

Prefer to study on your own, at your own pace.
Have a schedule that is too busy for a classroom course at a scheduled time.
Do not live near a KI centre.
